# Transparency International EU

The global coalition against corruption

## Jennifer Boizumault

Jennifer Boizumault · Monday, October 17th, 2022

Jennifer has been with the Transparency International EU office since April 2019 and, as Head of Operations, is responsible for overseeing the finance, human resources, fundraising and administration of the office. Prior to joining the team, she worked for over four years in the International Development sector with small-holder farmers in Africa and Latin America. Jennifer also has experience in project management and event coordination, and has worked in Singapore, Spain, France, and the UK. She has a Bachelor's degree in International Relations from the University of Illinois – Urbana-Champaign.
