
Transparency International EU

The global coalition against corruption

Our Mission

Transparency International EU is part of the global anti-corruption movement, Transparency International, which includes over 100 chapters around the world. Since 2008, Transparency International EU has functioned as a regional liaison office for the global movement and as such it works closely with the Transparency International Secretariat in Berlin, Germany.

Transparency International EU's mission is to prevent corruption and promote integrity, transparency and accountability in EU institutions, policies and legislation.

As Transparency International's regional liaison office to the European Union, Transparency International EU leads the movement's EU advocacy. We cooperate closely with national chapters worldwide, particularly with Transparency International's 22 national chapters and two national contact points in EU Member States.

Our Theory of Change

Our goal is that by 2034, power in the EU will be held to account for the common good. Our theory of change sets out how we plan to make that happen.
