TI EU and other organisations urge EU to accelerate infringement procedure against Hungary

Pia Engelbrecht-Bogdanov · Thursday, June 6th, 2024

The letter below was submitted by Transparency International EU and the other undersigned organisations to European Commission President Ursula von der Leyen and Commission Vice-President Vera Jourová. It implores the Commission, ahead of the European Parliament elections, to accelerate the infringement procedure against Hungary, and call for interim measures to stop Hungary from further escalating its rule of law crisis.
