3.

Two organisations representing the interests of **oil and gas** industries are in the **top 8 organisations** with the most Commission meetings.

TOP 8 ORGANISATIONS WITH THE MOST COMMISSION MEETINGS

- COMPANY MEETINGS INCLUDING NETWORKS
- NGO MEETINGS INCLUDING NETWORKS

WHO HAS BEEN LOBBYING THE EU ON THE GREEN DEAL?

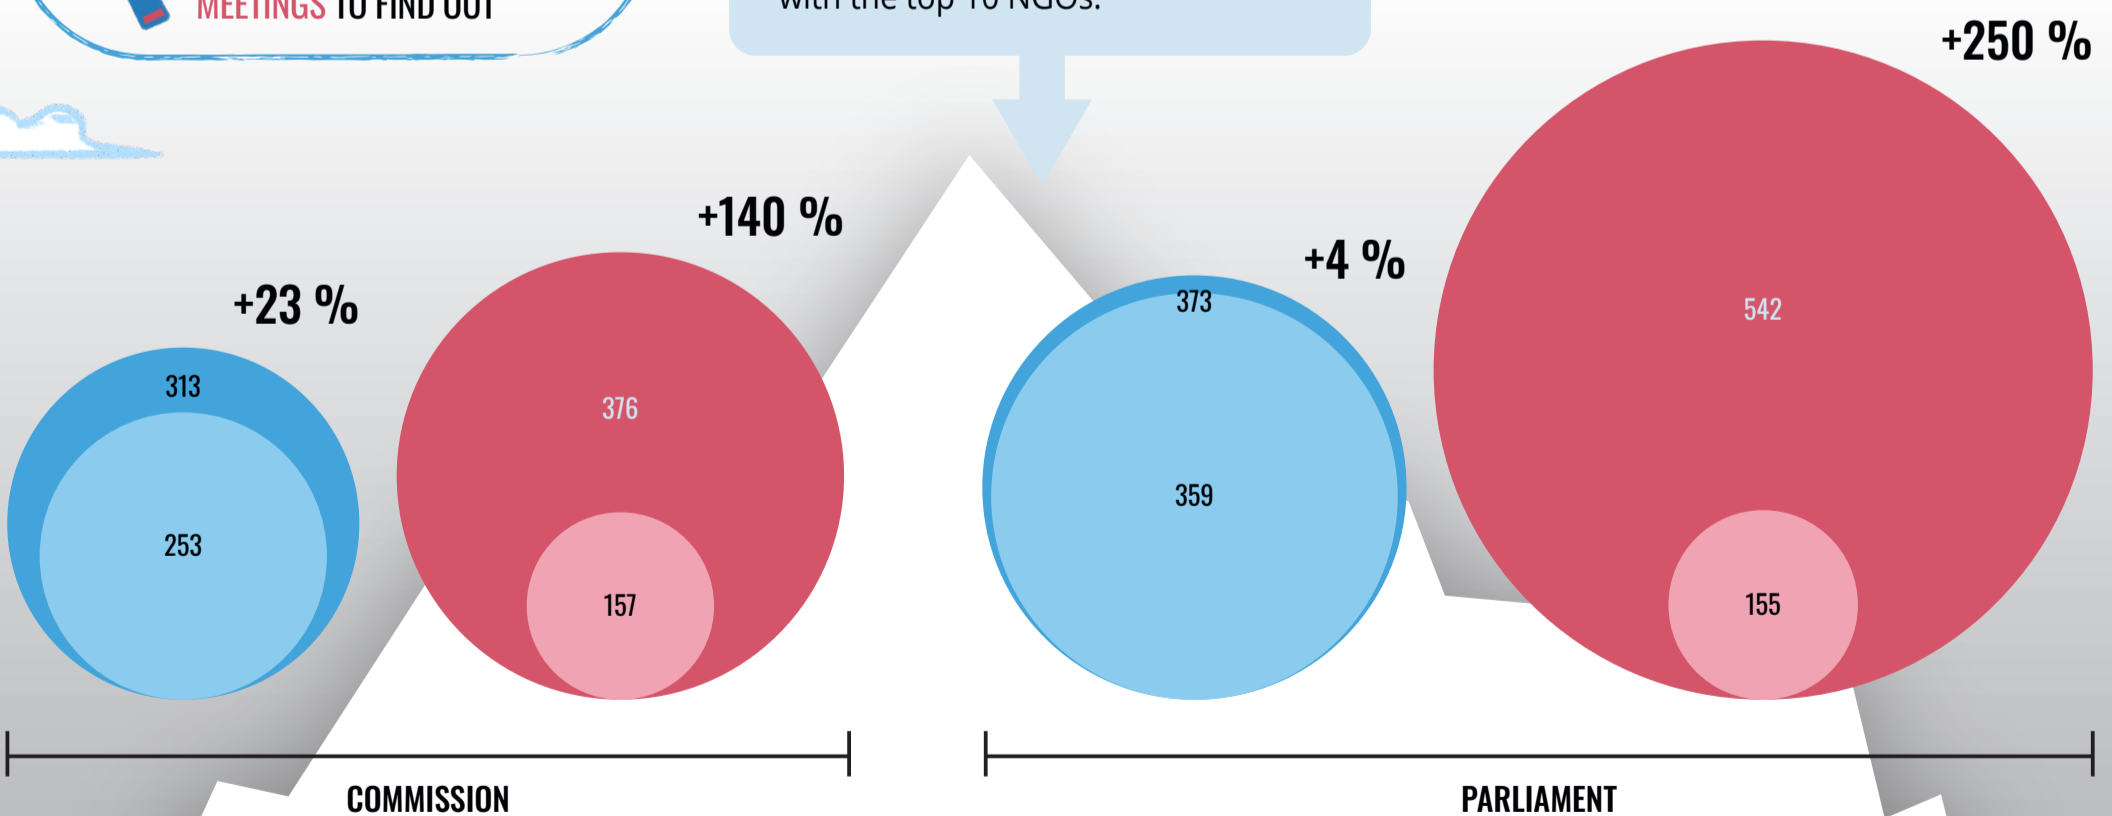

WE SIFTED THROUGH 21.768 COMMISSION MEETINGS AND 54.023 EUROPEAN PARLIAMENT MEETINGS TO FIND OUT

4.

But that isn't the whole story. **Corporate influence is much larger than you think.** The top 10 corporate lobbying organisations with the most meetings **significantly increase their access** through large business associations and networks, compared with the top 10 NGOs.

Is this just the **tip of the iceberg**? Due to internal rules, many meetings have not been published. Check integritywatch.eu for the latest data!
